PRODUCT SAFETY COMPLIANCE

PRODUCT: Model: ITL Project Ref. S105670.01; Model HUB Wireless Meter Interface For Data Collection And Transmission; Model Concentrator Wireless Meter Data Processing And Transmission By Mobix Wireless Solutions Ltd. Compliance with European Safety of Low Voltage Directive 2006/95/EC as Amended and with Relevant Harmonized Standards (CE)

Dear Mr. Appelbaum;

We have completed the investigation of the above referenced products by Mobix Wireless Solutions, under ITL Project No. S105670.01 to the following Requirements:

2006/95/EC as Amended by 93/68/EEC
European Council Directive, Safety of Low Voltage Equipment
EN 61010-1 : 2001 (2nd Edition)
Safety requirements for electrical equipment for measurement, control, and laboratory use – Part 1: General requirements

From the review and testing conducted by ITL, and based on the information and Manufacturer Declarations provided to us, we confirm to the best of our knowledge that the subject product conforms to the above specified Requirements.

ITL is an independent test laboratory, Certified to ISO/IEC 17025 latest Edition. Examples of International Agencies and Institutions which Certified ITL include UL, MET, FCC, Industry Canada, A2LA, TUV, Intertek.

Sincerely,

SAMUEL GNATT
